

Huang Kai-Chun

Mobile: +886 967-233-343

Email: kevin80609@gmail.com

PROFILE

Data Analysis and AI Engineering candidate with experience in **Python, SQL, Machine Learning, NLP, and LLM applications**. Skilled in data preprocessing, database management, model training, and performance evaluation. Experienced in projects involving **intent classification, QA generation, personalized marketing copy generation, and LLM fine-tuning**.

EDUCATION

Feng Chia University

Sep. 2022 – Jun. 2026

B.S. in Industrial Engineering and Systems Management

GPA: **3.9** / 4.3, Program: 4+1 Bachelor's-Master's Program

WORK EXPERIENCE

Teaching Assistant – Decision & Data Analysis

Sep 2025 – Jan 2026

- Supported students in **data preprocessing, exploratory analysis, model building, and performance evaluation** using analytical tools.
- Guided students in interpreting analytical results and translating **data insights** into practical **decision-making recommendations**.

Teaching Assistant – Database Management System and Design

Feb 2025 – Jun 2026

- Helped students design **databases**, plan table structures, create tables, and organize **structured data**.
- Assisted students with SQL practice, including basic queries, advanced queries, data retrieval, data updates, and common database operations.

Research Assistant – Code Annotation Generation using Myers Diff and LLaMA 3

Aug 2025 – Present

- Assisted in an AI research project integrating Myers Diff Algorithm, **deep learning classification**, and **LLaMA 3** for automated code change annotation generation.
 - Supported GitHub code-change data processing, including before-and-after code extraction, diff block identification, and structured dataset preparation.
-

PROJECTS

A Personalized Marketing Copy Generation System Based on LLaMA 3 Model

Sep 2025 – Jun 2026

- Processed **78K marketing text samples** using **Python** and fine-tuned **LLaMA 3 8B with QLoRA** for personalized marketing copy generation.
- Achieved BLEU-3 18.92, BLEU-4 14.44, METEOR 23.62, and human evaluation scores of **0.89 fluency, 0.87 diversity, 0.80 relevance, and 0.85 attractiveness**.

Intent Classification & QA Generation with Gemma 4 and Knowledge Distillation-Ongoing

- Built an **NLP pipeline** for intent classification and QA generation using BERT-BiLSTM, GPT-OSS knowledge distillation, and Gemma 4.
- Trained intent classification models on CLINC150 across **151 intent classes**, achieving **96.22% accuracy** and **96.20% F1-score** after knowledge distillation.
- Processed **69,477K high-quality QA pairs** through data cleaning, filtering, and formatting, then fine-tuned **Gemma 4-E4B with QLoRA** using Unsloth.

CONFERENCE EXPERIENCE

- **Best Paper Award – Big Data Technology and Applications Track, 2025 CIIE Annual Conference**
A Personalized Marketing Copy Generation System Based on LLaMA 3 Model
- **The 14th International Conference on Computer and Communications Management (ICCCM 2026) (Accepted)**
AN OBJECTIVE ESSAY SCORING AND COMMENTARY GENERATION SYSTEM WITH LSTM MODEL

SKILLS

- **Programming & Query Languages:** Python, SQL, R
- **Data Analysis:** Data Cleaning, Data Preprocessing, Statistical Analysis, Data Visualization, Model Evaluation
- **Database:** SQL Server, Relational Database Design, Structured Data Management
- **Machine Learning:** Deep Learning, Classification Models, Feature Engineering, Feature Selection, Model Training, Hyperparameter Tuning
- **NLP & LLMs:** Text Classification, QA Generation, LLM Fine-tuning, Prompt Engineering, Knowledge Distillation, QLoRA
- **Data & Text Mining:** Text Preprocessing, Feature Extraction, Topic Modeling, Clustering Analysis, Semantic Similarity Analysis
- **Environments & Tools:** PyTorch, Hugging Face Transformers, Unsloth, Pandas, NumPy, Linux, Jupyter Notebook
- **Office & Productivity:** Microsoft Office, Excel, Word, PPT

CERTIFICATIONS

- **Google Data Analytics Professional Certificate**
Google / Coursera | Mar. 2026
- **Microsoft AI & ML Engineering Certificate**
Microsoft / Coursera | Apr. 2026
- **AIA Talent Certification in AI Literacy (AIATCL)**
Taiwan AI Academy | Score: 95 | Apr. 2026 – Apr. 2028

SCHOLARSHIPS

- **Outstanding Performance in Database Design**
Feng Chia University | Dec. 2024
- **Outstanding Performance in Decision & Data Analysis**
Feng Chia University | Dec. 2025

EXTRA ACTIVITIES

Industrial Engineering and Systems Management Student Association

Activity Team Manager | Feng Chia University

- Planned and supported department events, including **Christmas Gift Delivery, Cultural Festival, Sports Week, Christmas Party, and IE Night.**
- Coordinated event workflows, registration forms, staff assignments, venue setup, and on-site operations.
- Developed teamwork, communication, leadership, and problem-solving skills through event planning and execution.
